In re Application of Mauldin	:	
Application No. 10/750,108	:	Decision on Petition
Filing Date: December 31, 2003	:	
For: Minimal Resistance Scallop for	:	
a Well Perforating Device	:	

This is a decision on the petition filed September 5, 2006, under 37 CFR 1.181 to withdraw the holding of abandonment of the above-identified application.

The petition is **dismissed**.

A final Office action was mailed December 6, 2005.

A request for a one-month extension of time was filed March 6, 2006.

An amendment was filed April 6, 2006.

An advisory action was mailed May 4, 2006. A supplemental advisory action was mailed May 17, 2006. Petitioner received neither Office action.

A Notice of Abandonment was mailed July 19, 2006.

The instant petition contends the application is not abandoned.

The application is not abandoned if petitioner filed a timely and proper reply to the final Office action. The reply filed April 6, 2006, was timely. However, the reply was not a proper reply to the final Office action. Applicant was required to file one of three things with the office in order to avoid abandonment of the application:

- (1) an amendment which *prima facie* placed the case in condition for allowance,
- (2) a Notice of Appeal and the required fee, or
- (3) a RCE.

Although petitioner filed an amendment on April 6, 2006, the examiner determined the amendment failed to place the application in conditional for allowance. Therefore, the application is abandoned.

Although the non-receipt of the advisory actions is regrettable, the non-receipt does not change the fact a proper reply was not filed in response to the final Office action within the time period set forth in the final Office action. The Office is under no obligation to advise an applicant of any deficiency in sufficient time to permit the applicant to take corrective action.<sup>1</sup> Proof of failure to receive notice of a deficiency in an amendment is not sufficient to prove an application is not abandoned.

Petitioner may wish to consider filing a petition to revive based on unintentional abandonment under 37 CFR 1.137(b). A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by the required reply (already submitted), the required petition fee (\$750 for a small entity), and a statement that the **entire** delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. A copy of a blank petition form is enclosed for petitioner's convenience.

A fee is not required for a petition to withdraw the holding of abandonment. Petitioner may request the fee be applied towards any fee required for a petition under 37 CFR 1.137(b) in the future. In the alternative, if petitioner does not wish to continue to seek revival of the application, petitioner may request a refund of the \$400. A request for a refund may be sent to: Mail Stop 16, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450. A copy of this decision should accompany any request for refund.

Any request for reconsideration must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are NOT permitted.
